Account Number Format: [Please specify length and format. (Example: XXXX or XXX-XX)]	
<p>Chart of Accounts & Budget: We are happy to set up your chart of accounts and load your budget for you! In addition, we will load additional budgets to your system (e.g. adjusted budgets, final budgets) at any time as your production needs require.</p> <p>We can load your chart of accounts (both balance sheet and cost accounts) from an Excel file that you provide us. But we can most easily establish your cost accounts from a budget file that contains them. We can load your budget figures at the same time. (But we can also do so without loading the budget figures, so you may send us any budget using the same cost accounts that you will use on this project.)</p> <p>If you have a preferred set of balance sheet accounts (e.g. Cash In Bank, AP Clearing, PR Clearing, etc.), we can load those from an Excel spreadsheet. Otherwise we can load a standard set of balance sheet accounts.</p>
